Q: WHAT HAPPENS IF IT RAINS? OR IF IT'S TOO HOT?

Whatever the weather, we will still be pouring. Rain or shine, the show must go on! Remember to dress for the weather and wear sunblock whether its sunny or grey and cloudy. And don't forget your rain jacket if the weather calls for rain!

Q: SHOULD I BRING CASH?

A: Yep. We can appreciate the convenience of plastic, but cash will be your best friend at the festival (after water that is). There will be a few different token booths spread across the festival as well as our Mobile Token Teams who will be walking around selling tokens. While our token booths will accept cash or credit, our Mobile Token Teams will only accept cash. You wont need to empty your bank account but be prepared with cash so that you can have the best cider experience possible.

If you run out of cash, Token Booths will accept Credit Card or Debit Card Payments, but we recommend cash so you can spend more time with cider than the credit or debit machines.

Q: HOW DO I GET TOKENS?

Tokens will be your onsite currency. You can get 4 tokens for \$10 or 8 tokens for \$20. 1 token will get you any 4 oz cider sample, with the exception of Calvados Boulard. 2 tokens will get you 1 oz of this apple brandy due to the higher alcohol content.

Tokens will also buy you any food on site at the value of \$2.50 per token.

Q: WILL THERE BE WATER FOR ME TO DRINK?

Yes, we will be providing free sparkling water and flat water for you to drink... You need to stay hydrated after all to make sure you have the best cider experience possible.
